Salado Education Foundation Agenda/Minutes (Virtual)

We do not have any current committee updates at this time.

Cattlemen's Reminder:

As a reminder, please continue to solicit any assigned sponsors/donors for Cattlemen's Ball. In addition, please ask all sponsors to begin sending in their payments if they have not already done so. Monies are already being received and processed. Also, please request their logos so that we have them on hand to complete all event deliverables and signage.

In the coming weeks/days, the Cattlemen's Committee will meet and continue to prepare for this year's event. As we know, the beginning of school is approaching, which means Cattlemen's is drawing closer. We are looking forward to this year's event and are very excited about it!

Also, we have two events upcoming that Salado Education Foundation will be a part of.

The following events are upcoming:

- **New Employee Orientation**

*Mini Grant Awarded for June/July/August

****Giveaway for entry/registration***

****If anyone is interested in attending or contributing to the giveaway, please let me know. In preparation for back-to-school, we are planning to put together a basket filled with goodies. All items are welcome, including school supplies, gift cards, cups, sweets/savory snacks, etc.***

*We will also have a QR code on this day so educators can apply for an Innovative Grant. It is important to note that the approval for opening the fall Innovative Grant window has been completed and we will be able to award grants both in the fall and in the spring.

The next board meeting will take place at 8:00 a.m. on August 15th at the civic center.

I'm looking forward to reconnecting with everyone after summer break. My prayers are with all of your families and I hope each child's school year goes smoothly.
